

The Combo Camp Option

What is the Combo Camp Option?

The Combo Camp option is an add-on to select half-day sports camps. When you add Combo Camp, your child gets to attend Nook Kid's Camp after they have finished their morning sports camp. This finishes out their day and includes two snacks and lunch. Combo Camp is available with the following camps. **Click each one to learn more!**

Baseball

[Baseball Skills Camp](#) – June 10-14
